## ENGROSSED HOUSE BILL No. 1767

---

DIGEST OF HB 1767 (Updated March 27, 2007 1:20 pm - DI 113)

**Citations Affected:** IC 6-1.1; noncode.

**Synopsis:** Property taxes. Extends the period during which certain property tax exemptions apply to a tract of land pending construction of a building to be used for exempt purposes. Provides for repayment of property taxes if certain exempt property is sold within four years after purchase. Provides that for purposes of determining eligibility for the levy appeal for excessive assessed valuation growth, the first year of the annual adjustment of the assessed valuation of real property ("trending") is excluded. Provides a property tax exemption for certain property in Vermillion County. Allows certain property taxpayers who filed original property tax returns in 2002, 2003, and 2004 to file amended property tax returns for 2002, 2003, and 2004 if the amended returns were filed after December 31, 2006 and before March 1, 2007.

**Effective:** Upon passage; January 1, 2007 (retroactive); July 1, 2007.

A BILL FOR AN ACT to amend the Indiana Code concerning  
taxation.

*Be it enacted by the General Assembly of the State of Indiana:*

- 1 SECTION 1. IC 6-1.1-10-16 IS AMENDED TO READ AS  
2 FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 16. (a) All or part  
3 of a building is exempt from property taxation if it is owned, occupied,  
4 and used by a person for educational, literary, scientific, religious, or  
5 charitable purposes.  
6 (b) A building is exempt from property taxation if it is owned,  
7 occupied, and used by a town, city, township, or county for educational,  
8 literary, scientific, fraternal, or charitable purposes.  
9 (c) A tract of land, including the campus and athletic grounds of an  
10 educational institution, is exempt from property taxation if:  
11 (1) a building that is exempt under subsection (a) or (b) is situated  
12 on it;  
13 (2) a parking lot or structure that serves a building referred to in  
14 subdivision (1) is situated on it; or  
15 (3) the tract:  
16 (A) is owned by a nonprofit entity established for the purpose  
17 of retaining and preserving land and water for their natural

characteristics;

(B) does not exceed five hundred (500) acres; and

(C) is not used by the nonprofit entity to make a profit.

(d) A tract of land is exempt from property taxation if:

(1) it is purchased for the purpose of erecting a building that is to be owned, occupied, and used in such a manner that the building will be exempt under subsection (a) or (b); and

(2) not more than ~~three (3)~~ **four (4)** years after the property is purchased, and for each year after the ~~three (3)~~ **four (4)** year period, the owner demonstrates substantial progress and active pursuit towards the erection of the intended building and use of the tract for the exempt purpose. To establish substantial progress and active pursuit under this subdivision, the owner must prove the existence of factors such as the following:

(A) Organization of and activity by a building committee or other oversight group.

(B) Completion and filing of building plans with the appropriate local government authority.

(C) Cash reserves dedicated to the project of a sufficient amount to lead a reasonable individual to believe the actual construction can and will begin within ~~three (3)~~ **four (4)** years.

(D) The breaking of ground and the beginning of actual construction.

(E) Any other factor that would lead a reasonable individual to believe that construction of the building is an active plan and that the building is capable of being completed within ~~six (6)~~ **eight (8)** years considering the circumstances of the owner.

**If the owner of the property sells, leases, or otherwise transfers a tract of land that is exempt under this subsection, the owner is liable for the property taxes that were not imposed upon the tract of land during the period beginning January 1 of the fourth year following the purchase of the property and ending on December 31 of the year of the sale, lease, or transfer. The county auditor of the county in which the tract of land is located may establish an installment plan for the repayment of taxes due under this subsection. The plan established by the county auditor may allow the repayment of the taxes over a period of years equal to the number of years for which property taxes must be repaid under this subsection.**

(e) Personal property is exempt from property taxation if it is owned and used in such a manner that it would be exempt under subsection (a) or (b) if it were a building.

(f) A hospital's property that is exempt from property taxation under subsection (a), (b), or (e) shall remain exempt from property taxation even if the property is used in part to furnish goods or services to another hospital whose property qualifies for exemption under this section.

(g) Property owned by a shared hospital services organization that is exempt from federal income taxation under Section 501(c)(3) or 501(e) of the Internal Revenue Code is exempt from property taxation if it is owned, occupied, and used exclusively to furnish goods or services to a hospital whose property is exempt from property taxation under subsection (a), (b), or (e).

(h) This section does not exempt from property tax an office or a practice of a physician or group of physicians that is owned by a hospital licensed under IC 16-21-1 or other property that is not substantially related to or supportive of the inpatient facility of the hospital unless the office, practice, or other property:

- (1) provides or supports the provision of charity care (as defined in IC 16-18-2-52.5), including providing funds or other financial support for health care services for individuals who are indigent (as defined in IC 16-18-2-52.5(b) and IC 16-18-2-52.5(c)); or
- (2) provides or supports the provision of community benefits (as defined in IC 16-21-9-1), including research, education, or government sponsored indigent health care (as defined in IC 16-21-9-2).

However, participation in the Medicaid or Medicare program alone does not entitle an office, practice, or other property described in this subsection to an exemption under this section.

(i) A tract of land or a tract of land plus all or part of a structure on the land is exempt from property taxation if:

- (1) the tract is acquired for the purpose of erecting, renovating, or improving a single family residential structure that is to be given away or sold:
  - (A) in a charitable manner;
  - (B) by a nonprofit organization; and
  - (C) to low income individuals who will:
    - (i) use the land as a family residence; and
    - (ii) not have an exemption for the land under this section;
- (2) the tract does not exceed three (3) acres;
- (3) the tract of land or the tract of land plus all or part of a structure on the land is not used for profit while exempt under this section; and
- (4) not more than ~~three (3)~~ **four (4)** years after the property is

**C  
o  
p  
y**

acquired for the purpose described in subdivision (1), and for each year after the ~~three (3)~~ **four (4)** year period, the owner demonstrates substantial progress and active pursuit towards the erection, renovation, or improvement of the intended structure. To establish substantial progress and active pursuit under this subdivision, the owner must prove the existence of factors such as the following:

(A) Organization of and activity by a building committee or other oversight group.

(B) Completion and filing of building plans with the appropriate local government authority.

(C) Cash reserves dedicated to the project of a sufficient amount to lead a reasonable individual to believe the actual construction can and will begin within ~~six (6)~~ **five (5)** years of the initial exemption received under this subsection.

(D) The breaking of ground and the beginning of actual construction.

(E) Any other factor that would lead a reasonable individual to believe that construction of the structure is an active plan and that the structure is capable of being:

(i) completed; and

(ii) transferred to a low income individual who does not receive an exemption under this section;

within ~~six (6)~~ **eight (8)** years considering the circumstances of the owner.

(j) An exemption under subsection (i) terminates when the property is conveyed by the nonprofit organization to another owner. When the property is conveyed to another owner, the nonprofit organization receiving the exemption must file a certified statement with the auditor of the county, notifying the auditor of the change not later than sixty (60) days after the date of the conveyance. The county auditor shall immediately forward a copy of the certified statement to the county assessor. A nonprofit organization that fails to file the statement required by this subsection is liable for the amount of property taxes due on the property conveyed if it were not for the exemption allowed under this chapter.

(k) If property is granted an exemption in any year under subsection (i) and the owner:

(1) ceases to be eligible for the exemption under subsection (i)(4);

(2) fails to transfer the tangible property within ~~six (6)~~ **eight (8)** years after the assessment date for which the exemption is initially granted; or

C  
o  
p  
y

(3) transfers the tangible property to a person who:

(A) is not a low income individual; or

(B) does not use the transferred property as a residence for at least one (1) year after the property is transferred;

the person receiving the exemption shall notify the county recorder and the county auditor of the county in which the property is located not later than sixty (60) days after the event described in subdivision (1), (2), or (3) occurs. The county auditor shall immediately inform the county assessor of a notification received under this subsection.

(l) If subsection (k)(1), (k)(2), or (k)(3) applies, the owner shall pay, not later than the date that the next installment of property taxes is due, an amount equal to the sum of the following:

(1) The total property taxes that, if it were not for the exemption under subsection (i), would have been levied on the property in each year in which an exemption was allowed.

(2) Interest on the property taxes at the rate of ten percent (10%) per year.

(m) The liability imposed by subsection (l) is a lien upon the property receiving the exemption under subsection (i). An amount collected under subsection (l) shall be collected as an excess levy. If the amount is not paid, it shall be collected in the same manner that delinquent taxes on real property are collected.

(n) Property referred to in this section shall be assessed to the extent required under IC 6-1.1-11-9.

SECTION 2. IC 6-1.1-18.5-13, AS AMENDED BY P.L.154-2006, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December

C  
o  
p  
y

31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

(A) the cost of personal services (including fringe benefits);

(B) the cost of supplies; and

(C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property **or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5** does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the total assessed value

C  
o  
p  
y

of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The

C  
o  
p  
y

maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that

C  
o  
p  
y

would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

(iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or

(v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of

**C  
O  
P  
Y**

1 this chapter, if the local government tax control board finds  
 2 that the county needs the increase to meet the county's share of  
 3 the costs of operating a jail or juvenile detention center,  
 4 including expansion of the facility, if the jail or juvenile  
 5 detention center is opened after December 31, 1991;

6 (B) that operates a county jail or juvenile detention center that  
 7 is subject to an order that:

8 (i) was issued by a federal district court; and

9 (ii) has not been terminated;

10 (C) that operates a county jail that fails to meet:

11 (i) American Correctional Association Jail Construction  
 12 Standards; and

13 (ii) Indiana jail operation standards adopted by the  
 14 department of correction; or

15 (D) that operates a juvenile detention center that fails to meet  
 16 standards equivalent to the standards described in clause (C)  
 17 for the operation of juvenile detention centers.

18 Before recommending an increase, the local government tax  
 19 control board shall consider all other revenues available to the  
 20 county that could be applied for that purpose. An appeal for  
 21 operating funds for a jail or a juvenile detention center shall be  
 22 considered individually, if a jail and juvenile detention center are  
 23 both opened in one (1) county. The maximum aggregate levy  
 24 increases that the local government tax control board may  
 25 recommend for a county equals the county's share of the costs of  
 26 operating the jail or a juvenile detention center for the first full  
 27 calendar year in which the jail or juvenile detention center is in  
 28 operation.

29 (10) Permission for a township to increase its levy in excess of the  
 30 limitations established under section 3 of this chapter, if the local  
 31 government tax control board finds that the township needs the  
 32 increase so that the property tax rate to pay the costs of furnishing  
 33 fire protection for a township, or a portion of a township, enables  
 34 the township to pay a fair and reasonable amount under a contract  
 35 with the municipality that is furnishing the fire protection.  
 36 However, for the first time an appeal is granted the resulting rate  
 37 increase may not exceed fifty percent (50%) of the difference  
 38 between the rate imposed for fire protection within the  
 39 municipality that is providing the fire protection to the township  
 40 and the township's rate. A township is required to appeal a second  
 41 time for an increase under this subdivision if the township wants  
 42 to further increase its rate. However, a township's rate may be

C  
o  
p  
y

increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years. A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief.

**SECTION 3. [EFFECTIVE UPON PASSAGE] IC 6-1.1-10-16, as amended by this act, applies only to property taxes first due and payable after 2007.**

**SECTION 4. [EFFECTIVE JANUARY 1, 2007 (RETROACTIVE)]**

**(a) This SECTION applies to property that:**

**(1) is located in Vermillion County;**

**(2) is used and owned by Ferguson Recreation Park, Inc.; and**

**(3) the auditor of Vermillion County, in a reversal of past county practice, determined that the property is not eligible for a property tax exemption under IC 6-1.1-10-16 for**

**C

property taxes first due and payable in 2007.

(b) Notwithstanding any other law, the auditor of Vermillion County shall:

- (1) waive the 2006 determination of the county auditor; and
- (2) grant the appropriate exemption.

(c) A property tax exemption granted under this SECTION applies to property taxes first due and payable in 2007.

(d) The general assembly finds that:

- (1) the property described in this SECTION was previously determined by the auditor of Vermillion County to be eligible to receive a property tax exemption under IC 6-1.1-10-16;
- (2) the interest of taxpayer fairness requires a restoration of the property tax exemptions that have been denied for property taxes first due and payable in 2007; and
- (3) the absence of other remedies for the taxpayers requires legislative action.

(e) This SECTION expires December 31, 2007.

SECTION 5. [EFFECTIVE JANUARY 1, 2007 (RETROACTIVE)]

(a) This SECTION applies to property that:

- (1) is located in Vermillion County;
- (2) is used and owned by Blandford Sports Club;
- (3) the auditor of Vermillion County, in a reversal of past county practice, determined that the property is not eligible for a property tax exemption under IC 6-1.1-10-16 for property taxes first due and payable in 2007; and
- (4) was subject to a petition to the Indiana board of tax review that was denied by the Indiana board of tax review because the petitioner's Form 132 was untimely filed.

(b) Notwithstanding any other law, the auditor of the county in which the property described in subsection (a) is located shall:

- (1) waive the 2006 determination of the county auditor;
- (2) disregard the determination of the Indiana board of tax review; and
- (3) grant the appropriate exemption.

(c) A property tax exemption granted under this SECTION applies to property taxes first due and payable in 2007.

(d) The general assembly finds that:

- (1) the property described in this SECTION was previously determined by the auditor of Vermillion County to be eligible to receive a property tax exemption under IC 6-1.1-10-16;
- (2) the interest of taxpayer fairness requires a restoration of the property tax exemptions that have been denied for

property taxes first due and payable in 2007; and  
 (3) the absence of other remedies for the taxpayers requires legislative action.

(e) This SECTION expires December 31, 2007.

SECTION 6. [EFFECTIVE JANUARY 1, 2007 (RETROACTIVE)]

(a) This SECTION applies to property that:

- (1) is located in Vermillion County;
- (2) is used and owned by the Universal Young Men's Club; and
- (3) the auditor of Vermillion County, in a reversal of past county practice, determined that the property is not eligible for a property tax exemption under IC 6-1.1-10-16 for property taxes first due and payable in 2007.

(b) Notwithstanding any other law, the auditor of Vermillion County shall:

- (1) waive the 2006 determination of the county auditor; and
- (2) grant the appropriate exemption.

(c) A property tax exemption granted under this SECTION applies to property taxes first due and payable in 2007.

(d) The general assembly finds that:

- (1) the property described in this SECTION was previously determined by the auditor of Vermillion County to be eligible to receive a property tax exemption under IC 6-1.1-10-16;
- (2) the interest of taxpayer fairness requires a restoration of the property tax exemptions that have been denied for property taxes first due and payable in 2007; and
- (3) the absence of other remedies for the taxpayers requires legislative action.

(e) This SECTION expires December 31, 2007.

HOUSE MOTION

Mr. Speaker: I move that House Bill 1767 be amended to read as follows:

Page 2, between lines 27 and 28, begin a new line blocked left and insert:

**"If the owner of property sells, leases, or otherwise transfers a tract of land that is exempt under this subsection, the owner is liable for the property taxes that were not imposed upon the tract of land during the period beginning January 1 of the fourth year following the purchase of the property and ending on December 31 of the year of the sale, lease, or transfer. The county auditor of the county in which the tract of land is located may establish an installment plan for the repayment of taxes due under this subsection. The plan established by the county auditor may allow the repayment of the taxes over a period of years equal to the number of years for which property taxes must be repaid under this subsection."**

"SECTION 2. IC 6-1.1-18.5-13, AS AMENDED BY P.L.154-2006, SECTION 47, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE JULY 1, 2007]: Sec. 13. With respect to an appeal filed under section 12 of this chapter, the local government tax control board may recommend that a civil taxing unit receive any one (1) or more of the following types of relief:

(1) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if in the judgment of the local government tax control board the increase is reasonably necessary due to increased costs of the civil taxing unit resulting from annexation, consolidation, or other extensions of governmental services by the civil taxing unit to additional geographic areas or persons.

(2) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to meet the civil taxing unit's share of the costs of operating a court established by statute enacted after December 31, 1973. Before recommending such an increase, the local government tax control board shall consider all other revenues available to the civil taxing unit that could be applied for that purpose. The maximum aggregate levy increases that the local government tax control board may recommend for a particular court equals the civil taxing unit's estimate of the unit's share of the costs of operating a court for the first full calendar year in which it is in existence. For purposes of this subdivision, costs of operating a court include:

(A) the cost of personal services (including fringe benefits);

(B) the cost of supplies; and

(C) any other cost directly related to the operation of the court.

(3) Permission to the civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the quotient

C  
o  
p  
y

determined under STEP SIX of the following formula is equal to or greater than one and two-hundredths (1.02):

STEP ONE: Determine the three (3) calendar years that most immediately precede the ensuing calendar year and in which a statewide general reassessment of real property **or the initial annual adjustment of the assessed value of real property under IC 6-1.1-4-4.5** does not first become effective.

STEP TWO: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the civil taxing unit's total assessed value of all taxable property and the total assessed value of property tax deductions in the unit under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP THREE: Divide the sum of the three (3) quotients computed in STEP TWO by three (3).

STEP FOUR: Compute separately, for each of the calendar years determined in STEP ONE, the quotient (rounded to the nearest ten-thousandth (0.0001)) of the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the particular calendar year, divided by the sum of the total assessed value of all taxable property in all counties and the total assessed value of property tax deductions in all counties under IC 6-1.1-12-41 or IC 6-1.1-12-42 in the calendar year immediately preceding the particular calendar year.

STEP FIVE: Divide the sum of the three (3) quotients computed in STEP FOUR by three (3).

STEP SIX: Divide the STEP THREE amount by the STEP FIVE amount.

The civil taxing unit may increase its levy by a percentage not greater than the percentage by which the STEP THREE amount exceeds the percentage by which the civil taxing unit may increase its levy under section 3 of this chapter based on the assessed value growth quotient determined under section 2 of this chapter.

(4) Permission to the civil taxing unit to increase its levy in excess

C  
o  
p  
y

of the limitations established under section 3 of this chapter, if the local government tax control board finds that the civil taxing unit needs the increase to pay the costs of furnishing fire protection for the civil taxing unit through a volunteer fire department. For purposes of determining a township's need for an increased levy, the local government tax control board shall not consider the amount of money borrowed under IC 36-6-6-14 during the immediately preceding calendar year. However, any increase in the amount of the civil taxing unit's levy recommended by the local government tax control board under this subdivision for the ensuing calendar year may not exceed the lesser of:

(A) ten thousand dollars (\$10,000); or

(B) twenty percent (20%) of:

(i) the amount authorized for operating expenses of a volunteer fire department in the budget of the civil taxing unit for the immediately preceding calendar year; plus

(ii) the amount of any additional appropriations authorized during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department under this chapter; minus

(iii) the amount of money borrowed under IC 36-6-6-14 during that calendar year for the civil taxing unit's use in paying operating expenses of a volunteer fire department.

(5) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter in order to raise revenues for pension payments and contributions the civil taxing unit is required to make under IC 36-8. The maximum increase in a civil taxing unit's levy that may be recommended under this subdivision for an ensuing calendar year equals the amount, if any, by which the pension payments and contributions the civil taxing unit is required to make under IC 36-8 during the ensuing calendar year exceeds the product of one and one-tenth (1.1) multiplied by the pension payments and contributions made by the civil taxing unit under IC 36-8 during the calendar year that immediately precedes the ensuing calendar year. For purposes of this subdivision, "pension payments and contributions made by a civil taxing unit" does not include that part of the payments or contributions that are funded by distributions made to a civil taxing unit by the state.

(6) Permission to increase its levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

**C  
O  
P  
Y**

(A) the township's township assistance ad valorem property tax rate is less than one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation; and

(B) the township needs the increase to meet the costs of providing township assistance under IC 12-20 and IC 12-30-4.

The maximum increase that the board may recommend for a township is the levy that would result from an increase in the township's township assistance ad valorem property tax rate of one and sixty-seven hundredths cents (\$0.0167) per one hundred dollars (\$100) of assessed valuation minus the township's ad valorem property tax rate per one hundred dollars (\$100) of assessed valuation before the increase.

(7) Permission to a civil taxing unit to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) the increase has been approved by the legislative body of the municipality with the largest population where the civil taxing unit provides public transportation services; and

(B) the local government tax control board finds that the civil taxing unit needs the increase to provide adequate public transportation services.

The local government tax control board shall consider tax rates and levies in civil taxing units of comparable population, and the effect (if any) of a loss of federal or other funds to the civil taxing unit that might have been used for public transportation purposes. However, the increase that the board may recommend under this subdivision for a civil taxing unit may not exceed the revenue that would be raised by the civil taxing unit based on a property tax rate of one cent (\$0.01) per one hundred dollars (\$100) of assessed valuation.

(8) Permission to a civil taxing unit to increase the unit's levy in excess of the limitations established under section 3 of this chapter if the local government tax control board finds that:

(A) the civil taxing unit is:

(i) a county having a population of more than one hundred forty-eight thousand (148,000) but less than one hundred seventy thousand (170,000);

(ii) a city having a population of more than fifty-five thousand (55,000) but less than fifty-nine thousand (59,000);

(iii) a city having a population of more than twenty-eight thousand seven hundred (28,700) but less than twenty-nine thousand (29,000);

**C  
O  
P  
Y**

- (iv) a city having a population of more than fifteen thousand four hundred (15,400) but less than sixteen thousand six hundred (16,600); or
- (v) a city having a population of more than seven thousand (7,000) but less than seven thousand three hundred (7,300); and

(B) the increase is necessary to provide funding to undertake removal (as defined in IC 13-11-2-187) and remedial action (as defined in IC 13-11-2-185) relating to hazardous substances (as defined in IC 13-11-2-98) in solid waste disposal facilities or industrial sites in the civil taxing unit that have become a menace to the public health and welfare.

The maximum increase that the local government tax control board may recommend for such a civil taxing unit is the levy that would result from a property tax rate of six and sixty-seven hundredths cents (\$0.0667) for each one hundred dollars (\$100) of assessed valuation. For purposes of computing the ad valorem property tax levy limit imposed on a civil taxing unit under section 3 of this chapter, the civil taxing unit's ad valorem property tax levy for a particular year does not include that part of the levy imposed under this subdivision. In addition, a property tax increase permitted under this subdivision may be imposed for only two (2) calendar years.

(9) Permission for a county:

(A) having a population of more than eighty thousand (80,000) but less than ninety thousand (90,000) to increase the county's levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the county needs the increase to meet the county's share of the costs of operating a jail or juvenile detention center, including expansion of the facility, if the jail or juvenile detention center is opened after December 31, 1991;

(B) that operates a county jail or juvenile detention center that is subject to an order that:

- (i) was issued by a federal district court; and
- (ii) has not been terminated;

(C) that operates a county jail that fails to meet:

- (i) American Correctional Association Jail Construction Standards; and
- (ii) Indiana jail operation standards adopted by the department of correction; or

(D) that operates a juvenile detention center that fails to meet

**C  
O  
P  
Y**

standards equivalent to the standards described in clause (C) for the operation of juvenile detention centers.

Before recommending an increase, the local government tax control board shall consider all other revenues available to the county that could be applied for that purpose. An appeal for operating funds for a jail or a juvenile detention center shall be considered individually, if a jail and juvenile detention center are both opened in one (1) county. The maximum aggregate levy increases that the local government tax control board may recommend for a county equals the county's share of the costs of operating the jail or a juvenile detention center for the first full calendar year in which the jail or juvenile detention center is in operation.

(10) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township needs the increase so that the property tax rate to pay the costs of furnishing fire protection for a township, or a portion of a township, enables the township to pay a fair and reasonable amount under a contract with the municipality that is furnishing the fire protection. However, for the first time an appeal is granted the resulting rate increase may not exceed fifty percent (50%) of the difference between the rate imposed for fire protection within the municipality that is providing the fire protection to the township and the township's rate. A township is required to appeal a second time for an increase under this subdivision if the township wants to further increase its rate. However, a township's rate may be increased to equal but may not exceed the rate that is used by the municipality. More than one (1) township served by the same municipality may use this appeal.

(11) Permission for a township to increase its levy in excess of the limitations established under section 3 of this chapter, if the local government tax control board finds that the township has been required, for the three (3) consecutive years preceding the year for which the appeal under this subdivision is to become effective, to borrow funds under IC 36-6-6-14 to furnish fire protection for the township or a part of the township. However, the maximum increase in a township's levy that may be allowed under this subdivision is the least of the amounts borrowed under IC 36-6-6-14 during the preceding three (3) calendar years. A township may elect to phase in an approved increase in its levy under this subdivision over a period not to exceed three (3) years.

**C  
o  
p  
y**

A particular township may appeal to increase its levy under this section not more frequently than every fourth calendar year.

(12) Permission to a city having a population of more than twenty-nine thousand (29,000) but less than thirty-one thousand (31,000) to increase its levy in excess of the limitations established under section 3 of this chapter if:

(A) an appeal was granted to the city under this section to reallocate property tax replacement credits under IC 6-3.5-1.1 in 1998, 1999, and 2000; and

(B) the increase has been approved by the legislative body of the city, and the legislative body of the city has by resolution determined that the increase is necessary to pay normal operating expenses.

The maximum amount of the increase is equal to the amount of property tax replacement credits under IC 6-3.5-1.1 that the city petitioned under this section to have reallocated in 2001 for a purpose other than property tax relief."
